Subject: Offer Letter for Project Management in **Techfest**.

Dear Atharva,

Techfest is **IIT Bombay's** annual science and technology festival. Established in **1998**, Techfest was conceived as a platform for the fruitful between students, academia and industry and over the years it has grown to be **Asia's Largest festival** of its kind with a number of firsts to its credits.

One such is the Techfest zonal competition, which will see a zonal event being held at prestigious colleges across the country with the final round being held at **3rd-5th January 2020** in the institute. This program gives students in every part of the country a chance to showcase their talents and match it against the best in the country.

Therefore, we seek your assistance in organizing **Techfest** this year. As we are also participating in **Techfest** we want you to be as head of our team and guide all of us to represent **IIT Bombay**. The project topic is Mumbai Navigator and this is based on plans travel within the city of Mumbai using BEST buses and local trains, and also gives information relating to bus routes.

Hope you consider our proposal and start working on it. We have arranged small meeting with you on 23<sup>rd</sup> August, 2019. Hope you will join us.

Venue - Room no. SIA-402, 4<sup>th</sup> floor, Kanwal Rekhi Building.

**Prateek Mohanani**  
Project Manager  
Techfest 2019-20
